

Gaëtan FRANÇOIS

Senior Customer Success Manager - Generative AI & SaaS

Profile

Senior Customer Success professional with 15 years of experience, combining enterprise account management at global scale with the co-founding of a B2C SaaS startup. Daily user of generative AI tools, trained in Machine Learning and Deep Learning (Python - Coursera), with concrete applications in behavioural analytics and prediction. Known for building lasting, trusted relationships with clients, being immediately available to help efficiently, and turning product adoption into measurable value. Equally at home in fast-moving startup environments and complex enterprise organisations.
