Gaëtan FRANÇOIS

Senior Customer Success - Enterprise SaaS, International Accounts

Profile

Senior customer success professional with 15 years delivering enterprise SaaS platforms to large international organisations, including 10 years as the main point of contact for L'Oréal's global HR platform across 40+ countries. Comfortable taking customers from integration through to sustained adoption, connecting business teams with engineering around customer priorities, and building the support model that holds it together afterwards. Managed an offshore delivery team in India and co-founded WallOfTraders.com, a B2C SaaS startup. Master's degree in Applied Mathematics; daily practitioner of generative AI tools.
