

Gaëtan FRANÇOIS

Senior Customer Success Manager – Enterprise SaaS

Profile

Senior Customer Success Manager with 15 years driving adoption, retention and expansion of complex SaaS platforms across 40+ countries. Built and ran end-to-end success programs for mission-critical deployments serving 80,000+ users at Fortune 500 clients, including L'Oréal, Air France, Sanofi and Generali. Works directly with C-level and technical stakeholders, builds success plans tied to real business value, and turns process goals into measurable results. Co-founder of WallOfTraders.com, a B2C SaaS startup. Hands-on with Python and Machine Learning; uses AI tools daily. M.Sc. in Applied Mathematics. Fluent in English, native French.

Professional Experience

2018 - 2025

L'ORÉAL

Freelance - Remote

Senior Customer Success Manager – Global Enterprise Platform

- Owned end-to-end success program for SAP SuccessFactors Employee Central (**OneProfile**) across 40+ countries and 80,000+ users — success plans, KPIs, milestone frameworks and executive QBR cycles
- Drove platform adoption and process automation end-to-end: stakeholder alignment, deployment planning, health monitoring, risk escalation and expansion opportunities
- Served as trusted advisor and primary escalation point for senior HR and IT stakeholders across 40+ countries; resolved critical incidents and unblocked stalled rollouts
- Led SaaS deployment of global time & attendance platform (Tamigo) across worldwide retail operations: UAT, go-live, post-launch hypercare
- Coordinated data migration and production rollout for global payroll process centralisation (**OnePayroll**) — cross-functional teams across IT, finance and HR

2018 - 2025

WallOfTraders.com

Co-founder - Remote

Co-founder & Product Manager - B2C SaaS Platform (crypto trading)

- Built and managed a live trader community; drove product adoption, retention and feature engagement through structured onboarding and 1:many communication
- Owned full product lifecycle: feature validation, UX testing, SEO, paid acquisition

2012 - 2016

ALTI - TCS

Paris

Enterprise Customer Success – Fortune 500 Accounts

- **L'Oréal** (2014-2016): managed SAP HR enterprise account across 40 countries (L1/L2/L3 FR & EN); won outsourcing RFP; led knowledge transfer and offshore team management (India)
- **FMC Technologies** (2013): end-to-end enterprise platform deployment across 8 European countries — process design, configuration, data migration, go-live
- **Air France, Sanofi, Generali, Canal+**: configuration, support, testing, data migration and reporting across complex multi-entity environments

2016 - 2018

Personal Projects

R&D

Python, Machine Learning & AI

- Coursera specialisations in Python, Machine Learning and Deep Learning; applied to financial time-series prediction
- Daily practitioner of generative AI tools; experienced in evaluating and integrating AI capabilities into workflows

2011 - 2012

eFront & Enablon

Paris

Software Support & Configuration – Finance & Quality Management

- Support, maintenance and configuration of enterprise software solutions in finance and quality management
