

Gaëtan FRANÇOIS

Professional Services & Program Delivery Leader - Global Enterprise Accounts

Profile

Delivery leader with 15 years running professional services and enterprise programs for large multinational organisations, including winning a competitive outsourcing tender and then owning the resulting managed services contract for L'Oréal's global SAP HR platform across 40+ countries spanning EMEA, the Americas and APAC, for ten years. Built and led a distributed delivery team in India, carried programs from scoping and data migration through go-live and ongoing support, and resolved the escalations that reached executive sponsors. Comfortable owning commercial performance alongside delivery quality, and working across Sales, Product and Customer Success to turn a live program into renewed and expanded scope. Native French, fluent English, working Spanish and Portuguese; daily practitioner of generative AI tools.
