

Gaëtan FRANÇOIS

Senior Customer Success Manager - Generative AI & SaaS

Profile

Senior Customer Success professional with 15 years of experience, combining global enterprise account management with leading product at a B2B/B2C SaaS startup. Uses generative AI tools daily, notably Claude Code. Builds lasting, trusted relationships with clients, responds quickly when they need help, and turns product adoption into measurable value. Comfortable in both fast-moving startups and large, complex organisations.

Professional Experience

2018 - 2026

WallOfTraders.com
Remote

Product Manager - B2B/B2C SaaS Startup (trading platform)

- Built and structured the **customer success function from scratch** across two segments: B2B trader accounts (demos, onboarding onto the marketplace) and B2C clients who copied their trades
- Data-driven approach to product adoption: tracked KPIs (activation, retention), analysed user behaviour to identify friction points, and evolved the platform to fit specific account needs
- Community engagement: Telegram group, newsletters, FAQ; drove product adoption and retention
- Product testing & validation; fed structured feedback into the development roadmap; managed and mentored interns and apprentices; SEO and Facebook Ads campaigns

2018 - 2025

L'ORÉAL
Freelance - Remote

Senior Customer Success Manager - Global Enterprise Account (40+ countries)

- **Strategic account ownership** - sole point of contact between L'Oréal's global organisation and technical delivery teams
- Led end-to-end onboarding and adoption of a SaaS HR platform (SAP SuccessFactors): structured plan, milestone tracking, key-user training, post-go-live hypercare
- Facilitated regular **business reviews with senior stakeholders**: KPI dashboards, escalation resolution, roadmap alignment
- Acted as **voice of the customer**: structured feedback loops to product and development teams

2016 - 2018

Personal Projects
R&D

AI, Machine Learning & Robotics

- **Machine Learning & AI**: Coursera courses in Python, ML, Deep Learning, data scraping - applied to financial prediction and behavioural analytics
- **Autonomous Drone**: design of a waterproof GoPro drone - Pixhawk, Mission Planner, electronics, robotics

2012 - 2016

ALTI - TCS
Paris

HRIS Consultant - Enterprise Account Management

- SAP HR deployments and managed services for L'Oréal (40 countries), FMC Technologies (8 European countries), Air France, Generali, Sanofi, Canal+, Degrémont
- Won competitive outsourcing RFP; led knowledge transfer programme for offshore team (India)

2011 - 2012
