

Gaëtan FRANÇOIS

Senior Customer Success Manager - Generative AI & SaaS

Profile

Customer Success professional with 15+ years of experience, combining global enterprise account management with leading product at a B2B/B2C SaaS startup. Uses generative AI tools daily, notably Claude Code. Builds lasting, trusted relationships with clients and stays available to help efficiently. Experience in onboarding, product adoption, user enablement and voice-of-customer feedback loops across complex, multicultural environments.

Experience

2018 - 2026

WallOfTraders.com
Remote

Product Manager - B2B/B2C SaaS Startup

- Built the customer success function from scratch across two segments: B2B trader accounts (demos, onboarding onto the marketplace) and B2C clients who copied their trades
- Data-driven adoption: tracked KPIs (activation, retention), analysed user behaviour to identify friction, and evolved the product to fit specific account needs
- Community management (Telegram, newsletter); product feedback loops into roadmap
- Managed and mentored interns and apprentices; SEO & Facebook Ads acquisition

2018 - 2025

L'ORÉAL
Freelance - Remote

Senior Customer Success Manager - Global Enterprise

- Strategic account ownership across 40+ countries - primary liaison between business and tech teams
- Led onboarding & adoption of SaaS HR platform (SAP SuccessFactors): plans, training, hypercare
- QBR/EBR cycles with senior executives; voice of the customer to shape product improvements
- Managed escalations and incidents, ensuring SLA compliance across a multi-country environment

2016 - 2018

Personal Projects
