

Gaëtan FRANÇOIS

Senior IT Delivery Lead - Data Migration & Transformation Programmes

Profile

Senior IT delivery professional with 15 years leading data migration and systems transformation programmes across complex, multi-country enterprise environments. Ten years on the L'Oréal worldwide account (40+ countries), including a project management role in the most recent phase: setting the deployment roadmap with the client, coordinating teams across functions, and delivering from planning through cutover and go-live. Strong functional and technical grounding in SAP HR/HCM and SAP SuccessFactors Employee Central. Product Manager of WallofTraders.com, a B2B/B2C SaaS platform. Works comfortably in remote, international teams across time zones.
