Gaëtan FRANÇOIS

HRIS Project Manager & Functional Lead - SAP SuccessFactors

Profile

HRIS project manager and functional lead with 15 years' experience on SAP HR and SuccessFactors Employee Central, including 10 years on the L'Oréal worldwide account (40+ countries). I steered the SAP HR to SuccessFactors migration and the global payroll centralisation: planning, risk tracking, progress presented to steering committees, data migration (mapping, controls, acceptance testing). Daily link between HR business teams, developers and international teams, writing the functional specifications. Uses Claude Code and generative AI tools daily.
