

Gaëtan FRANÇOIS

Training & Enablement Specialist – AI & HR Tech

Profile

Training and enablement professional with 15+ years designing and running onboarding programs, key-user training, and knowledge transfer in complex enterprise environments across 40+ countries. Trained in Python, Machine Learning, and Deep Learning; uses generative AI tools daily and has hands-on experience checking AI output against defined quality standards. Master's degree in Engineering (Applied Mathematics). Fluent in English, native French speaker.

Experience

2018 - 2025
L'ORÉAL
Freelance - Remote

Senior Onboarding & Enablement Specialist – SAP HR (Global)

- Designed and delivered key-user training programs for SAP SuccessFactors Employee Central (**OneProfile**) across 40+ countries and 80,000+ employees
- Built structured onboarding plans, milestone frameworks, and post-go-live hypercare programs for global HR platform rollouts
- Delivered written and verbal feedback to HR teams on platform adoption quality; tracked enablement outcomes against defined success criteria
- Ran QBR/EBR cycles with senior HR stakeholders; produced structured evaluation reports and recommendations
- Coached HR teams on embedding AI and analytics tools into daily workflows; assessed adoption quality and identified gaps

2018 - 2025
WallOfTraders.com
Remote

Onboarding & User Enablement

- Designed and iterated onboarding content for a B2C SaaS platform; evaluated user experience quality and delivered structured improvement feedback
- Built and animated a learning community; produced instructional content across multiple formats

2016 - 2018
Personal Projects
R&D

AI & Machine Learning – Research & Evaluation

- Completed Coursera specialisations in Python, Machine Learning, and Deep Learning; applied models to financial time-series prediction
- Evaluated AI-generated outputs against domain-specific quality criteria; identified errors in factual accuracy and model behaviour
- Daily practitioner of generative AI tools (ChatGPT, Claude, Midjourney); experienced in assessing output quality across text, code, and structured content

2012 - 2016
ALTI - TCS
Paris

HRIS Consultant – Training & Knowledge Transfer

- Designed and led knowledge transfer program to offshore team (India) for SAP HR managed services across 40 countries; produced training documentation and assessed team readiness
- Delivered SAP HR end-user and key-user training for multiple clients across Europe (L'Oréal, FMC Technologies, Air France, Sanofi)
- Evaluated trainee performance against quality rubrics; produced structured written feedback and remediation plans

2011 - 2012
eFront & Enablon
Paris

Software Support & Configuration

- Support, maintenance and configuration of finance & quality management software
